LANGUAGE SKILLS

1 **FIRST**  Write an article for the school magazine of about 140-190 words.

The most interesting video I've seen on YouTube.

Tips for writing a good article:

- Start the article by addressing the reader directly. Here are some useful expressions:

Have you ever...
You absolutely must...
Can you imagine...
I'm sure you'd agree
I must tell you about...
You wouldn't believe...

It's absolutely stunning / terrible (strong adjective).
It took my breath away.
I will never forget it.
There's nothing in the world like it

- Use a semi-formal style
- Describe your video in detail
- Give an opinion of your video. Just a few suggestions:
 - In the last paragraph:
 - finish with a sentence which summarises what you have said
 - end with an interesting last sentence.

2 **IELTS**  Write a report describing the information below in about 150 words.

Include the following points:

- What the graph is about
- General trends
- Surprising or interesting data

Remember: it is not necessary to include all the data in your report, but make it more interesting by comparing data.
