

# Writing computer code

## LANGUAGE SKILLS

- 1 **PET**  Here are two photographs of people writing computer code. Describe what you can see in the photographs.

STUDENT A

STUDENT B

- 2 **PET**  The photographs show people writing computer code. Talk together about the different types of programming languages that you know and decide which ones are used or can be learnt by children.
- 3 **PET**  You have studied different programming languages. Work in pairs and decide which one is the most appropriate for writing a simple game for your smartphone.
