

Avatar

- 1 Watch the film clip with the subtitles to check your answers to the gap-filling exercise.
- 2 Watch the clip again and discuss Neytiri's attitude towards the natural environment.
- 3 Answer the following questions.
 1. What is the physical aspect of the Avatar?
 2. What common features of the face do the Avatar and Neytiri have ?
 3. What weapons is Neytiri carrying? Which of them does she use to kill the wild creature?
 4. Pandora has a luxuriant vegetation. Describe the natural environment of the scene.
 5. Try to predict what could happen after this scene. In your opinion, will the Avatar be caught as a prisoner by the Na'vi or will he come back to the expedition headquarters?
 6. Have you ever seen the entire film? If so, do you remember its end?
 7. What different approach to the natural world do the Na'vi and the Humans have?
 8. In your opinion, what message does the film convey?
