WALLED CITIES IN EUROPE

In Europe there are a lot of cities and towns where ancient walls, fortifications and towers or parts of them are still visible. Only in Germany there are about 200. In Italy there about 160, in France 100, in the Netherlands 90, in the UK around 60. In Poland and in Spain almost 50, in Ireland 20.

The walls of Carcassone (France)
