How to get to a specific place

It's that way.

Follow the signs for...

Just follow this road to the end of it and then turn left.

Keep going straight on for about... metres and you will see the... on your left.

Go straight on at the lights.

Go across the roundabout.

It's just past that intersection.

Turn left after the bridge.

It's just after the roundabout.

It's opposite the bank.

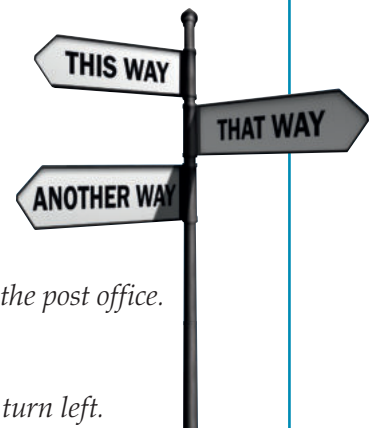

Turn right at the next crossroads.

Keep going straight until you see the post office.

It's just past the supermarket.

Don't go past the church.

Take the underpass/flyover, then turn left.

Distances and transportation means

It's about... minutes from here.

Go on for about... minutes/... metres.

It's a... minutes' walk.

It's about... kilometres further.

It's not that far.

It's very close.

It's too long a walk on foot, you need to catch a bus.

General

You are going the wrong way.

I'm sorry, I don't know, I'm not from around here.
