14. Fair or medium skin with undertones	15. Warm black including shades like

GAMES AND INTERACTIVE ACTIVITIES

- 1** **GROUP WORK.** Colour board game. Split up in groups of 3 to 4 people. Choose a counter each and decide who starts. Throw the dice and follow the indications on the board.

12 MISS A TURN	11 Green is the neutraliser of red/golden hair.	10 You use <i>aluminium foil/cotton pods</i> to highlight hair.	9 GO FORWARD 2 SPACES	8 You wash dirty hair with a <i>conditioner/shampoo</i> .
13 Hair colour <i>dyes/revitalizes</i> hair.	20 FINISH		18 GO BACK 3 SPACES	7 You mix colours in a <i>dyeing bowl/washbasin</i> .
14 Highlighting is suitable for all types of hair except very damaged hair/only for blonde hair.	15 GO BACK 2 SQUARES	16 The hair colour <i>chart/tube</i> shows the different levels of colour of hair.	17 You carry out a <i>skin/an incompatibility</i> test to ensure the client has no allergic reactions to the products.	6 THROW AGAIN
1 START	2 You colour hair with <i>curlers/colour brush</i> .	3 You section hair with a <i>tail comb/hair clips</i> .	4 GO BACK 1 SPACE	5 You protect customer's clothing with a <i>gown/plastic cap</i> .

- 2** **PAIR WORK.** Colour and highlights techniques matching. You will receive a few words and their corresponding definitions in random order. Try and match the appropriate technique to the correct definition in the shortest possible time.

REAL-LIFE ACTIVITIES

1  The owner of the salon offers you the opportunity to attend a course on colouring in London, at the Vidal Sasson Academy. Write an email to book the course and asking for information on precise dates, duration, costs and timetable.

2  You have just attended a class on different colouring techniques. Your teacher suggests you read the following article. Follow his instructions and translate the third paragraph of the article into Italian.

1. Go to the website: www.hair-heads.co.uk.
2. Click on *Hair colour/basic* in the menu *NVQ Hairdressing*.
3. Click on *Permanent hair colour*.
4. Read the content of the article.
5. Translate the third paragraph (From: *Permanent colour molecules...* to *colouring or tinting*.)
