## REAL-LIFE ACTIVITIES

1

**GROUP WORK.** Your boss tells you to invent a salon summer promotion: trim, shampoo & blow-dry for the price of just a trim. Draw the idea for your promotional leaflet, then show and discuss it with the other groups.

2

You are responsible for the equipment in the salon. You realize you have to order 5 new blow-dryers, 3 sets of rollers, 2 flat irons, 1 curler iron and 7 round brushes. Write an email to your supplier with the order.
